Dear Johanna:

We have not begun preparing a Foreign Filing Advisory Report because we have just received the European Search Report for this case today and we already have received your Foreign Filing order letter. A copy of the report and its cited documents are enclosed for your file.

Thank you for allowing us to assist you with these matters. If you have any questions, please contact either Michael G. Savage, at +1.919.941.8822, or me.
